

**REMARKS**

Upon entry of the present election, Applicant will have elected without traverse the invention defined as Group I, comprising Claims 1-10, 32-41 and 52, drawn to determining the value of a capability that enhances an enterprise architecture.

Should there be any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,  
Marybeth Ahern et al.

A handwritten signature in black ink, appearing to read 'Andrew M. Calderon', written over a horizontal line.
